Police Administrator

Mr. Roberto Mann  
Fleet and Radio Coordinator

Date: September 16, 2019

Subject: Request purchase of CNT van through forfeiture funds

The Port Saint Lucie Police Department's Crisis Negotiation Team (CNT) currently has no reliable response vehicle. In the past the CNT has shared the Mobile Command Post platform to operate their specialty equipment and response from. However, due to numerous issues with the Command Post (wood rot, broken brackets, loose generator) to name a few, the police departments command post is out of operation. The Command Post was equipped with specialty wiring which allowed the CNT group to utilize their equipment inside the vehicle but, they have no back up platform. We are requesting that the Crises Negotiation Team be allotted their own platform, a new T-250 van which would provide a reasonable and maintenance friendly vehicle. This would also isolate the CNT group and leave the Command Post to its original purpose as a command and control station.

The base price for a new T-250 High Roof Transit Van is \$27,900, we will also need to request \$20,000 to retrofit the vehicle with options and to reconfigure the interior with work stations and air conditioning. The total requested will be \$47,900, we are requesting that the funding be sourced from forfeiture. This would provide a long-term solution for the CNT group as well as the department.

Thank you!

memorandum

## **FLORIDA SHERIFFS ASSOCIATION & FLORIDA ASSOCIATION OF COUNTIES**

### **UTILITY CARGO VAN - HIGH ROOF SPECIFICATION #38**

#### **2019 Ford Transit T250 (R2X)**

The Ford Transit T250 (R2X) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

|             |             |             |             |             |
|-------------|-------------|-------------|-------------|-------------|
| ZONE:       | Western     | Northern    | Central     | Southern    |
| BASE PRICE: | \$27,223.00 | \$27,223.00 | \$27,810.00 | \$27,910.00 |

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.
