## FIRM PROFILE & CAPABILITY

REG Architects, Inc. is a Hispanic Minority Business Enterprise (HMBE), a Small Business Enterprise (SBE) and a Florida Corporation, which specializes in Architecture, Historic Preservation, Interior Design and Community Planning. Our office is located at 300 Clematis Street in downtown West Palm Beach, Florida and we have been offering comprehensive design services since 1988.

The firm was originally established 30 years ago with the forming of a father and son Architectural team, Rick and Ricardo Gonzalez, as principals of the firm. Together, this team has over 78 years of combined experience. Growth of the firm has occurred due to the talent and professionalism of our dedicated staff. Our office now has 16 talented individuals which includes: four licensed architects, three architectural project managers, one quality control coordinator, three CADD technicians, three administrative staff and one architectural intern. Two of our architects are LEED- AP professionals. A team concept is in place with Rick Gonzalez overseeing the firm's six departments: operations, finance, interiors, design, production and construction.

*Palm Beach County Courthouse*

Services include commercial building design, residential design, planning, site and model building, building construction observation, field reporting, feasibility studies, historic analysis, expert witness services and interior design. Further, project marketing and 3D SketchUp modeling have become staple products to help promote design projects for our clients.

REG Architects enjoys a unique community relationship with the area as a result of the firm's philosophy that includes pursuing projects that are deemed as important for the good of the community. Projects such as Martin Luther King, Jr. Memorial Plaza on Flagler Drive in West Palm Beach and the 911 Memorial in Wellington were provided at a reduced cost to the Cities through a partial donation of our services, indicating the firm's commitment to the community.

*Harriett Himmel Theatre at CityPlace*

Historic projects include: Mar-a-Lago Club-Palm Beach, Historic Children's Museum & High School-Boynton Beach, Harriet Himmel Theater-West Palm Beach, Historic Ruth Jones Cottage-Boynton Beach; Cultural Council of Palm Beach County-Lake Worth, 1916 Historic Palm Beach County Courthouse-West Palm Beach, Historic Sunset Lounge & Club-West Palm Beach and Lincoln Theatre, Stuart, FL.

Principals of the firm are also involved in local, county, state and national community Boards and Committees. These have included: Palm Beach Chamber of Commerce, United Way of Palm Beach County, Chamber of Commerce of the Palm Beaches, Cultural Council of Palm Beach County, City of West Palm Beach Planning Board, Florida Board of Architecture and Interior Design, Palm Beach County Historic Society, Business Development Board of Palm Beach County, Palm Beach County Architectural Guidelines, the Florida Trust for Historic Preservation and others. The high quality of REG's professional services has resulted in the firm being nominated for, and receiving, industry awards and recognition as a leader in the profession of Architecture at the State, local and national levels. Numerous articles about the firm, its principals and projects have been published and Mr. Gonzalez is a sought-after speaker on architectural topics.

## JUPITER INLET VILLAGE SPERRY SITE & LOVE STREET SITE JUPITER, FLORIDA

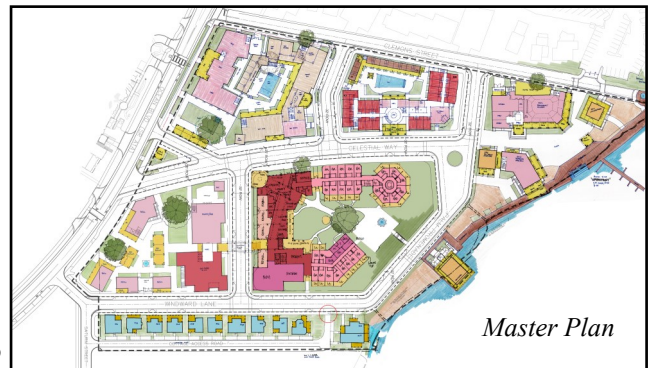

**Project Type:** Master Planning/ Mixed Use/  
Historic Reconstruction, Marina

**Client:** 961 A1A, LLC.  
**Project Contact:** Jeff Collins, 561-371-7024  
[jjc@collinsdev.com](mailto:jjc@collinsdev.com)

**Project Size:** 14 Acres  
**Project Cost:** \$ TBD

**Project Description:** The project is comprised of two sites (the Suni Sands parcel and the Love Street parcel) totaling 14 acres located in Jupiter Inlet Village. The area has a rich history, and attractions include waterfront dining destinations and small shops, primarily oriented to waterfront activities. The Town of Jupiter envisions building on this “funky fishing village” theme with the reconstruction of the 100 year old boathouse, additional shops, residences and restaurants in a walkable design. The Master Plan for the Modica Parcels will serve to further implement this vision by contributing new street and Riverwalk connections as well as shops, restaurants, and 250 units/ lodging options, thus making Jupiter Inlet Village more complete.

**Performance Period:** 2014 to present  
**Status:** Town approvals received, construction in progress
